Andrew Lloyd Webber's Love Never Dies, The Phantom Returns – this story of boundless love, full of passion and drama follows the Phantom of the Opera as the sequel continues. The year is 1907, 10 years after his disappearance from the Paris Opera House and the Phantom has escaped to a new life in New York where he lives amongst the screaming joy rides and freak shows of Coney Island. He has finally found a place for his music to soar but he has never stopped yearning for his one true love and musical protégée, Christine Daae.
