THE Singing

CHRISTMAS TREES

**Saturday, December 15th, 2018 at
First Baptist Orlando**

In the time since our first presentation, over 600,000 people from every state in America and from many foreign countries have seen the Singing Christmas Trees. For over 30 years, a simple program offered as a way to present the true meaning of Christmas to the Orlando community, has become a Central Florida tradition and has gained national and international recognition. A picture of our 1987 presentation was included in "Christmas in America," a pictorial book celebrating the various Yuletide traditions in our country. That picture inspired CBS Television to broadcast scenes from the 1988 presentation on the CBS Evening News on Christmas Day of that year.
